Government of India**

Dear Sir / Madam,

Since its inception in 1957, the Research and Post Graduate Department of Zoology has played a pivotal role in imparting biological education through its graduate and post graduate courses as well as various research programmes. The department offers Entomology as Post Graduate specialization. The Department is committed to spread awareness on the new advances in the field of Science and Technology both in India and around the world.

Therefore, with great pleasure we invite you to one day awareness programme on the occasion of the National Science Day celebrations 2017.
